

The General Gumala Foundation 5 Year Review

The Gumala Trust Board wishes to advise Beneficiaries of the General Gumala Foundation (“GIPL”) and Members of Gumala Aboriginal Corporation (“GAC”) that the 5th 5-year Review of the Foundation is underway.

The foundation review will deliver an assessment of the overall performance of the Foundation, which will include evaluating the delivered benefits aligned with the Foundation’s objectives and the aspirations of the current Traditional Owners.

Gumala Members and Beneficiaries are invited to complete a paid survey for which they will receive \$400. The survey will open from the 14th of August until 5pm on the 28th of August. The type of payment will be based on the previous preferences of flexi program top-up or bank transfer. Payments will be made on the 4th of September.

Those with a preference for electronic communications will receive a unique survey link via SMS or email to complete the survey. Alternatively, Beneficiaries who have a postal preference will receive a letter inviting them to contact our office on (08) 9219 4500 and select option number 3 between 9am and 1pm, Monday to Friday to complete the survey over the phone with a consultant.

The outcome of the Review will include the results and recommendations for improvements for the areas within the terms of reference. The outcomes and results from the review are intended to be discussed at the consultation session being held at the upcoming 2024 GAC and GIPL AGMs.
